

The creative basis - **Foundation Diploma Art & Design** at the UE

Try out all of UE's creative degree programmes and then choose the Art & Design Bachelor's degree that suits you best.

Why UE?

The foundation diploma at the University of Europe for Applied Sciences (UE) in Berlin offers you the opportunity to learn the creative basis for your Art & Design studies at UE. Find out where your strengths lie, whether that's in video shooting and editing, capturing moments with a photo camera, illustrating topics, inventing stories and characters in game design or designing websites.

With the Foundation diploma, you will receive the best preparation for our state-accredited bachelor's programmes at UE. You will recognise your strengths and be able to refine them in your subsequent studies.

With more than 15 years of experience in teaching, a good network in the advertising industry in Hamburg, as well as our interdisciplinary course of studies, we offer you the chance to start directly from the basis of the orientation semester on the course that perfectly suits you.
