SRH Berlin University of Applied Sciences
Berlin School of Design and Communication

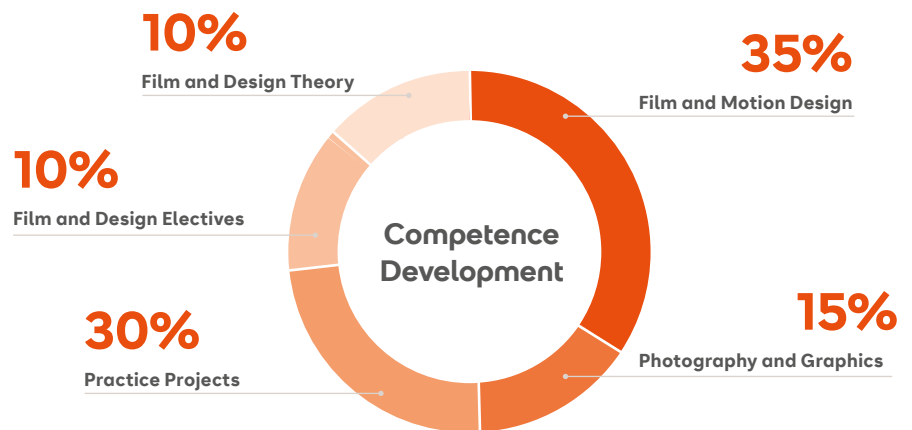

Film & Motion Design | B.A.

Our Unique Curriculum for You

This programme focuses on the interplay of traditional film and motion design. Learn the basics of visual communication and produce artistic short films, hybrid films, and motion designs. Stage ideas, brands, and products, and find creative solutions to socially relevant topics. Work with professional partners from various industries, including film, creative, and the start-up scene.
