

University Access Program

Preparatory Programs

If you do not meet the minimum English language requirements for entry to the Bachelor, Associate of Arts or MBA programs, you can still improve your English skills to qualify for admission into a degree program at UCW.

Entrance awards, scholarships and grants are available to new students.

The University Access Program (UAP), accredited by Languages Canada, prepares you for higher-level education in an English-speaking institution.

The program focuses on academic English, ensuring that you acquire the study skills needed to complete assignments and exams with confidence. The courses include the development of specific academic skills, such as essay writing, research methods, note taking, critical thinking and presentations, giving you a great start to your program at University Canada West.

You can meet the English proficiency requirements for admission to our degree programs by successfully completing the advanced level course of the University Access Program (UAC 030). This program is three, six or nine months in length, depending on the entry level. Each course is three months long.
